Always in the Peace of the Lord

Dear Brothers and Sisters in Christ,

Do you ever get the feeling that life is passing you by? That no matter how hard you work and how much you give to your family and friends, there is a certain emptiness to your life. In our Gospel today I think that is Martha's "problem", or perhaps we could call it a *challenge*, in that she has let the routine of life, the daily activity of our living to take center stage. Her sister, Mary "better part" is that she allowed herself to rest in the presence of the Lord. Therein is Martha's challenge and ours as well. How do we go about being responsible people, doing what needs to be done, not neglecting our work, AND finding the time to spend some good quality time with Jesus like Mary?

Personally, I have found this difficult at achieve at various points in my life, identifying a bit too much with Martha. Yet I can happily say that I have had awesome times in my life when I have felt like Mary, at peace with my life. I think that it is all about integrity. As our Responsorial Psalm stated, to be able to walk blamelessly and think truthfully in our hearts, guided by the Word we have heard and follow the Word of God, our Lord Jesus Christ. As Christians, to have integrity means that we have spent time with the Lord. We may be busy but let us not be busy about many thing. Let us choose the better part.

Always, Fr. Jim
